

## VOLUNTARY MONITORING PROGRAM

### Opt-In Agreement for Water Transactions

I/We agree to the terms of service for the Voluntary Monitoring Program and give my/our permission to the Scott Valley and Shasta Valley Watermaster District to complete the services specified on side 2 of this agreement. For a diversion that serves multiple owners, each owner must sign. This agreement does not apply to diversions outside the authority of the District.

### Terms of Service

I/We agree to submit the cost payments indicated on side 2 of this agreement along with the request for service. I/We understand there is no obligation to continue these services and may opt-out with a 15-day written notice by all owner's identified above. Failure to pre-pay the agreed amount for also terminates this agreement. If this agreement is terminated the District will cease to provide the service. I/We understand that in order to allow the Deputy Watermaster to accurately record water diversions, I/we may be required to purchase, install and certify measurement devices or other equipment necessary for data collection.

### Access

Access to the diversion and/or measurement site is granted by the Diversion Owner(s) to the District, its employees, agents, assigns or contractors, for the services provided by the District (see side 2 of this agreement).

[ ] If this box is checked a diversion or measurement site is located on property that is owned by a private property owner not listed as a diversion owner in this agreement. Notification to the private property owner must be made prior to accessing site.

**Please sign me/us up for the following:**

[ ] Initial consultation by District staff to evaluate diversions and discuss project. Please check the appropriate number of diversions here and complete the Diversions box below (unshaded columns only);

[ ] 1 or 2 diversions. \$150

[ ] 3 or more diversions. \$250

[ ] GIS to map diversion locations, this is only available when required and after the initial visit by the Deputy Watermaster. \$100 No cost for diversion owner(s) providing a reliable map.

[ ] Assist diversion owner with planning for water transactions or other agreements that requires or suggests a change to the decreed water right (refer to *Request for Analysis* form), use the table below to estimate cost.

**MUST READ:** I/we understand the annual Administrative Fee still applies to planning activities, instead of an annual report the diversion owner will receive a written report of the findings by District staff.

[ ] **Check this box after the initial visit has been completed and fill in columns** Water measurement monitoring service for the following bypass locations (cost will be estimated by District staff after initial consultation);
