26 NOTICE OF REDUCTION OF SCOTT
27 RIVER WATERMASTER SERVICE
28 AREA

Date: December 20, 2018

29 NOTICE OF REDUCTION OF SCOTT RIVER WATERMASTER SERVICE AREA

30 The Scott Valley and Shasta Valley Watermaster District ("District") was appointed
31 watermaster of the Scott River Watermaster Service Area to administer the above water right
32 decrees the above captioned water right decrees pursuant to this Court's December 22, 2011
33 order. Water Code section 4032 provides that "service areas may be enlarged, reduced,
34 consolidated, or abolished from time to time as convenience of administration may require."
35 After consideration of petitions to reduce the watermaster service area from water right holders in
36 Shackleford Creek, Mill Creek, Oro Fino, and Sniktaw Creek, and after having provided notice to
37

1 affected water right holders on those creeks, the District has reduced the Scott River Watermaster
2 Service Area to exclude Shackleford Creek (effective April 1, 2013), Mill Creek (effective April
3 1, 2013), Oro Fino (effective April 1, 2012), and Sniktaw Creek (effective April 1, 2012). The
4 current boundary of the Scott River Watermaster Service Area is shown in Exhibit 1. The
5 reduction in the Scott River Watermaster Service Area does not affect the Decrees or any water
6 rights subject to the decrees.
