18 *within Siskiyou County, California*, Decree No. 29348, (dated June 5, 1978), be MODIFIED as
19 follows:

20 1. Appointment of Scott Valley and Shasta Valley Watermaster District as
21 Watermaster. The Scott Valley and Shasta Valley Watermaster District is appointed
22 Watermaster for the Shasta River Watermaster Service Area to replace the Department of Water
23 Resources-appointed Watermaster effective February 1, 2012, or earlier date mutually agreed to
24 by the Scott Valley and Shasta Valley Watermaster District and the Department of Water
25 Resources.

26 2. Upon the effective date of appointment of Scott Valley and Shasta Valley
27 Watermaster District as Watermaster, the Department of Water Resources shall not be
28 responsible for ensuring the fulfillment of any of the duties and obligations of Part 4 of Division

1 2 of the Water Code, section 4000 *et seq.*, including any responsibility for the funding of the
2 expenses of administration or distribution pursuant to Chapter 7 of Part 4, section 4200 *et seq.*,
3 for the Shasta River Watermaster Service Area.

4 3. Vesting of Water Code Watermaster Authorities. The Scott Valley and Shasta
5 Valley Watermaster District is vested with all authorities granted by Part 4 of Division 2 of the
6 Water Code, section 4000 *et seq.*, with the exception of sections 4025-4026, 4050, subdivision
7 (a), 4051, 4279 and 4351-4358.

8 (a) This substitution of watermaster does not limit the authority granted to the
9 Scott Valley and Shasta Valley Watermaster District to enlarge, reduce, consolidate, or abolish
10 the Shasta River Watermaster Service Area in accordance with section 4032.

11 4. Existing Authorities and Obligations Not Affected. This substitution of
12 watermaster does not limit the authorities granted to the Scott Valley and Shasta Valley
13 Watermaster District under any other provision of law or relieve the Scott Valley and Shasta
14 Valley Watermaster District of any obligations imposed by any other provision of law.

15 5. Regulations. The Scott Valley and Shasta Valley Watermaster District may adopt
16 reasonable regulations to secure distribution of water in accordance with determined rights as
17 may be needed, and any such regulations shall be lodged with this Court.

18 6. Annual Reports. The Scott Valley and Shasta Valley Watermaster District shall
19 prepare annual reports of watermaster service that identify the persons who have diverted water,
20 the general place of use, and the quantity that has been diverted from each source. The annual
21 reports are intended to satisfy the Water Code section 5101(e) exemption from filing statements
22 of water diversion and use. The Scott Valley and Shasta Valley Watermaster District shall lodge
23 the annual reports with this Court by January 1 of each year.

24 7. Employment of Deputy Watermaster. The Scott Valley and Shasta Valley
25 Watermaster District may contract with or employ one or more persons or firms to assist with the
26 watermaster functions and to serve as deputy watermaster(s).

27 8. Notice of Appointment of Deputy Watermaster. The Scott Valley and Shasta
28 Valley Watermaster District shall lodge with this Court notice of appointment of any deputy

1 watermaster the Scott Valley and Shasta Valley Watermaster District may contract with or
2 employ.

3 9. Adoption of Annual Budget and Proposed Apportionment Beginning in Fiscal
4 Year 2012/2013. For fiscal year 2012/2013 and thereafter, the Scott Valley and Shasta Valley
5 Watermaster District shall, before June 15 of each year, adopt a proposed budget showing the
6 amount of money estimated to be necessary to pay the costs of administration of the Shasta River
7 Watermaster Service Area and the distribution of water therein for the ensuing fiscal year, and
8 shall propose an apportionment of the budgeted amount of money among the water right holders
9 within the Shasta River Watermaster Service Area.

10 (a) The proposed budget shall include: (1) expenses theretofore incurred for
11 the payment of which funds are not available; (2) the cost of the annual watermaster report
12 required by Paragraph 6, above; (3) a reasonable estimate for contingencies; and (4) other costs
13 of administration of the service area or of distribution of water therein. The proposed budget
14 may include a reasonable estimate of the amount of money needed to establish a working capital
15 reserve. In adopting a budget, the Scott Valley and Shasta Valley Watermaster District shall use
16 the methodology set forth in Water Code sections 4225 to 4228. In the absence of objections
17 filed with the Court, or on good cause shown after a hearing if objections are filed, the budget
18 will be approved by the Court.

19 (b) In proposing an apportionment of the budgeted amount of money among
20 the water right holders within the Shasta River Watermaster Service Area, the Scott Valley and
21 Shasta Valley Watermaster District may use any reasonable methodology, including but not
22 limited to the methodology set forth in Water Code sections 4251 to 4254.

23 (c) The proposed budget and apportionment shall be served on the water right
24 holders within the Shasta River Watermaster Service Area and filed with the Court before June
25 15. Objections to the budget and apportionment shall be filed with the Court within 15 days of
26 service on the water right holders. In the absence of objections filed with the court, or on good
27 cause shown after a hearing if objections are filed, the apportionment will be approved by the
28 Court. Objections to the apportionment shall be (1) limited to whether the apportionment is

1 consistent with the methodology set forth in Water Code sections 4251 to 4254, and (2) set for
2 hearing in the manner provided for a noticed motion with notice to be given to the watermaster,
3 Scott Valley and Shasta Valley Watermaster District, and to each other water right holder who
4 may be affected in any manner by such objection. So that the Scott Valley and Shasta Valley
5 Watermaster District may comply with Water Code section 4275 requiring that the watermaster
6 certify apportionments to the Siskiyou County Auditor by August 10 for inclusion on the
7 property tax bills, such objections are to be heard and decided by July 31 in order to affect the
8 current fiscal year. If an objection is not heard and decided by July 31, the current fiscal year
9 budget and apportionment shall be unaffected, and the results of the objections, if any, shall be
10 reflected in the next fiscal year budget and apportionment.

11 10. Certification and Collection of Apportionment Beginning in Fiscal Year
12 2012/2013. For fiscal year 2012/2013 and thereafter, the apportionment shall be certified and
13 collected as follows:

14 (a) The Scott Valley and Shasta Valley Watermaster District shall, except as
15 provided in paragraph 10(b), on or before August 10th of each year, certify to the Siskiyou
16 County Auditor and the Siskiyou County Board of Supervisors the amount required in order to
17 pay the apportionments for the ensuing fiscal year, to be levied on the land used in the storage or
18 diversion, conveyance or distribution of water stored or diverted under the right and the land on
19 which the water is, or is entitled to be, used. The certification ordered herein shall have the same
20 legal effect as though it were a certification pursuant to Water Code section 4275.

21 (b) As to any owner of water rights that is a county, municipality, district,
22 political subdivision, public corporation, or state agency, or is a public utility as defined in the
23 Public Utilities Code, the Scott Valley and Shasta Valley Watermaster District shall, on or before
24 the 15th day of June of each year, serve on each such owner named in the budget and
25 apportionment prepared pursuant to paragraph 9 above a true copy thereof. A copy so served
26 shall have the same effect as to such owners as though it were a copy of the statement referenced
27 in Water Code section 4300.

28 ///

1 11. Apportionment for Fiscal Year 2011/2012. The Department of Water Resources
2 has adopted a budget and apportionment for watermaster operations in the Shasta River
3 Watermaster Service for Fiscal Year 2011/2012. The Department of Water Resources has billed
4 for Fiscal Year 2011/2012 service by certifying to the Siskiyou County Auditor the amounts to
5 be included on County property tax bills in accordance with Water Code section 4275 et seq. and
6 directly billed public agencies in accordance with Water Code section 4300 et seq. The proceeds
7 of the Fiscal Year 2011/2012 apportionment shall be distributed pro rata to the Department of
8 Water Resources and Scott Valley and Shasta Valley Watermaster District in accordance with
9 the effective date of appointment of Scott Valley and Shasta Valley Watermaster District as
10 Watermaster, as follows:

11 (a) As to the proceeds collected by Siskiyou County, the Siskiyou County
12 Auditor shall distribute the proceeds of the apportionment pro rata to the Department of Water
13 Resources and Scott Valley and Shasta Valley Watermaster District in accordance with the
14 effective date of appointment of Scott Valley and Shasta Valley Watermaster District as
15 Watermaster.

16 (1) For example, if the Scott Valley and Shasta Valley Watermaster
17 District assumes the role of Watermaster effective December 1, 2011, the Auditor shall distribute
18 five-twelfths (5/12) to the Department of Water Resources (for its five-month service as
19 Watermaster from July 1 to November 30, 2011) and seven-twelfths (7/12) to the Scott Valley
20 and Shasta Valley Watermaster District.

21 (b) As to the direct billing proceeds collected by the Department of Water
22 Resources, the Department of Water Resources shall distribute the proceeds of the
23 apportionment pro rata to the Department of Water Resources and Scott Valley and Shasta
24 Valley Watermaster District in accordance with the effective date of appointment of Scott Valley
25 and Shasta Valley Watermaster District as Watermaster in accordance with the examples
26 provided in paragraph 11(a)(1).

27 (c) The Department of Water Resources shall provide to the Scott Valley and
28 Shasta Valley Watermaster District an accounting of the actual watermaster services provided by

1 the Department of Water Resources each month during Fiscal Year 2011/2012 until the effective
2 date of the appointment of Scott Valley and Shasta Valley Watermaster District. If the proceeds
3 of the apportionment received by the Department of Water Resources exceed the actual services
4 provided, the Department of Water Resources shall remit the balance to the Scott Valley and
5 Shasta Valley Watermaster District.

6 12. Waterflow Measuring Devices. The Department of Water Resources and the
7 Scott Valley and Shasta Valley Watermaster District shall enter into an agreement or
8 memorandum of understanding for the transfer to the Scott Valley and Shasta Valley
9 Watermaster District of fixed waterflow measuring devices installed by the Department of Water
10 Resources and for the future maintenance, operation and funding of waterflow measuring
11 devices by the Department of Water Resources that will not be transferred to the Scott Valley
12 and Shasta Valley Watermaster District.

13 (a) All rights, duties, and obligations of the Department of Water Resources
14 in those fixed waterflow measuring devices shall accompany the transfer of those facilities and
15 shall be assumed by the Scott Valley and Shasta Valley Watermaster District, and the Scott
16 Valley and Shasta Valley Watermaster District shall hold the Department of Water Resources
17 harmless for any and all claims or causes of action relative to the items transferred that arise
18 subsequent to the transfer.

19 13. This Order shall not be deemed to modify any provisions of water right Decree
20 Nos. 7035, 24482 and 29348 or amendments, supplements or orders thereto, except as necessary
21 to effectuate the appointment of the Scott Valley and Shasta Valley Watermaster District as
22 Watermaster.
